2020-2021

TERMS AND CONDITIONS OF THE KIPONA SCHOLARSHIP PROGRAM

1. GENERAL INFORMATION

- Recipient must re-apply for a scholarship award each year and meet all eligibility requirements. Only completed applications by the deadline will be considered.
- In order to meet program eligibility requirements at a non-entry grade level, the applicant must either be designated as a cohort member or in renewal status. (Renewal status is defined as acceptance and disbursement of award in the previous academic year.)
- The award is determined annually and is based on the family's financial need and recognized tuition costs of the private school that the recipient will attend. Participating private schools are identified on the Kamehameha Schools (KS) website at <http://apps.ksbe.edu/financialaid/>.
- KS may request the submission of a completed IRS form 4506-T Request for Transcript of Tax Form as determined to verify applicant's financial data.
- The award is non-transferable to another grade, student, academic year or KS program and reflects the maximum annual amount that the recipient is eligible to receive from KS.
- Award amount and Terms and Conditions may change from year-to-year and the amount is subject to the availability of funds.
- Failure to meet the Terms and Conditions may cause the recipient to be disqualified for consideration under the program in subsequent years.
- Acceptance of the award indicates that the recipient is not receiving any other financial assistance from another KS-funded scholarship or program. Failure to meet this condition may result in immediate suspension and/or termination of the award and/or demand for repayment.
- Award preference is given to applicants of Hawaiian ancestry to the extent permitted by law.
- Any lawsuit or claim against KS must be brought exclusively in the U.S. District Court for the District of Hawai'i or in the state courts of the State of Hawai'i. Any federal claims shall be governed exclusively by the federal law applied by the U.S. District Court for the District of Hawai'i, and any state law claims shall be governed exclusively by the laws of the State of Hawai'i, without reference to its conflict of law rules.

2. USE OF FUNDS

- The award must be used for program tuition at a participating Kipona school. If your child does not enroll in one of the schools identified in the award letter, you may use the award at another *participating* school. The maximum award amount is set at the initial award and will not be increased, but may decrease depending upon KS' recognized costs of the new school.
- Individual awards do not cover the full cost of tuition. Families are responsible for any outstanding balance(s) for tuition, fees, meals, and/or other costs.
- If the award amount is greater than the tuition charged by the private school, the difference shall be returned to KS.
