

Kamehameha Schools Hawai'i Kula Ha'aha'a

Aloha Dear Families,

We hope this letter finds you enjoying summer break with your keiki. I again want to take the opportunity to restate how blessed I have been in serving you and your keiki, the students of Kamehameha School. I know 2018-19 will be another successful year in your child's academic and social development journey. I wanted to share a few new things before the school year resumes and remind you of some exciting things in the 2018-19 school year.

Kumu Wai and the new principal will continue with "Pilina 'Ohana Luncheons." They will begin with welcoming you and your keiki for lunch, followed with a brief moment with just the 'ohana. This will be a time to ask questions, tell us your concerns, your excitements and talk story together to better serve you and your keiki. This year's topic will be around a more in depth understanding of E Ola! outcomes and social emotional learning connecting to Hawaiian identity.

There is one change in a teacher's position; Kumu Boshard will now be our second 'olelo language kumu, teaming with Kumu Silva. All students will now have 4 language classes within a 6 day cycle. Kumu Boshard's room will be in the old STEAM classroom (621). Kumu Norman will now support all kumu as our 'O'iwi STEAM coordinator/teacher of the 'O'iwi STEAM curriculum. Kumu Chang will teach all science classes. We are in the process of hiring a 4th grade kumu.

As always, Kula Ha'aha'a's desire and efforts focus on, creating a school that provides all students the feeling of belonging. Academic success for each student is the goal of every staff member at KS. Maintaining the effort to create opportunities for real life, relevant, active learning opportunities that are student-centered. With great enthusiasm, Kula Ha'aha'a endeavors to keep the promise set forth in the KS vision;

Success for every Keiki with Christian values and Hawaiian culture as the foundation for character and identity development

Excellence and mastery for all students to reach elevated education standards

Whole child well-being

Strong systems in place/clear expectations and standards

I again want to thank you for the privileged to serve these last two years, as your principal. I truly have been honored to work with such a highly qualified and dedicated staff, amazing students, and all of you, the supportive parents. Mahalo for all your gifts and good bye wishes. Your keiki and you will forever be a part of my heart.

~ Dr. Werner

MY CULTURE, MY FAMILY and ME

Ho'omaika'i to Hannah Acob (Gr. 2), Hāwelelani Camara (Gr. 2) and Kanoa Honda (Gr. 3). Their art work was among the 96 that were selected statewide to be on display at the Young Artists of Hawaii exhibition in O'ahu. This exhibition is open to all public and private school students, grades K-6. This year's theme was "My Culture, My Family, and Me" which was intended to inspire our haumāna to express how they feel, see, or interpret their lives in the islands. Schools statewide submitted artwork and distinguished judges selected 96 pieces for exhibition. Mahalo to Kumu Rosehill for fostering this talent in our haumāna. All of our haumāna did exceptional work and we congratulate each of them for their beautiful hard work and creativity.
